William R. Harper

Who Was William Rainey Harper?

William Rainey Harper, for whom Harper High School was named is only a name to most of the students. However, he was in his lifetime a man who created a great institution which helped to make Chicago famous.

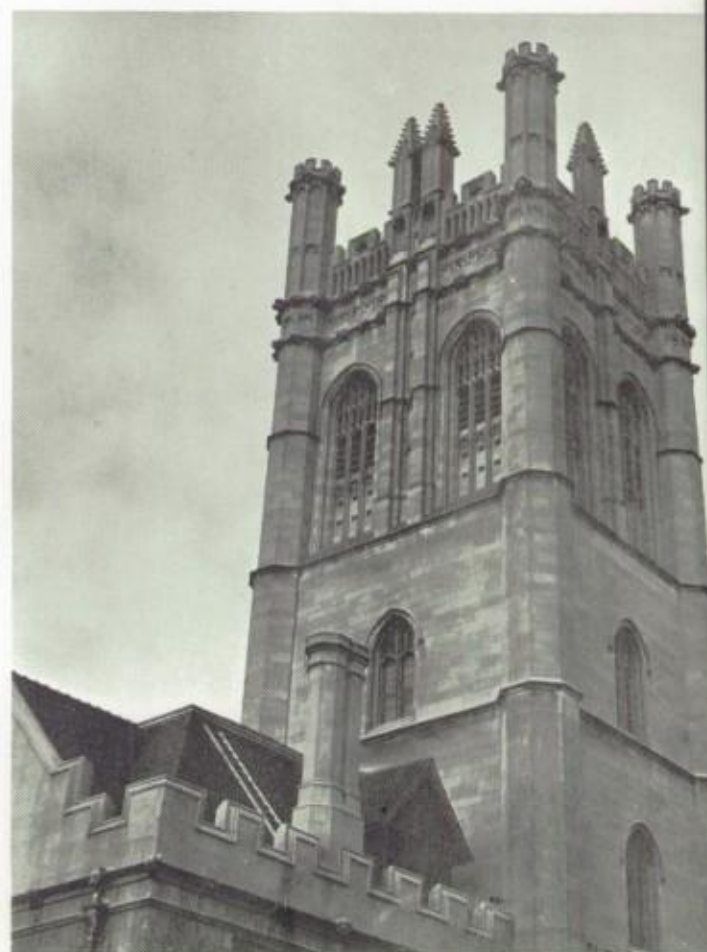

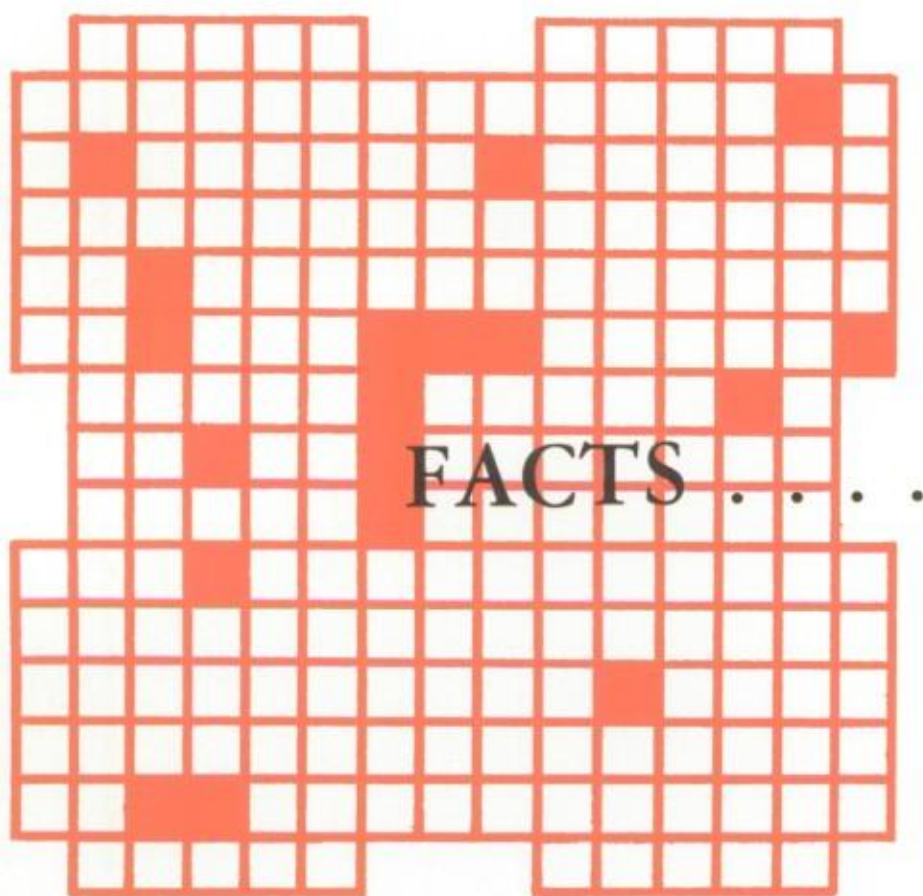

Harper was born at New Concord, Ohio, July 24, 1856 to Scotch-Irish parents. He was a child genius graduating from Muskingum College at the age of four-teen. He was an avid scholar of Hebrew which he later taught and about which he wrote several books.

As a youth, he was very prominent in his village band, playing the trumpet. All through his life he was fascinated by music.

When he was twenty-three years old he came to Chicago to teach Hebrew in response to an appeal from the Union Baptist Theological Seminary at Morgan Park.

Later he was approached by John D. Rockefeller who had plans to build a university in Chicago which he hoped would be the finest institution in the Mid-West. Harper accepted the position as the first president of the university that was to bear the name of this great city.

Harper was a strong leader. He created many startling innovations, such as the tri-semester plan for colleges, the division of junior colleges and senior colleges, and a limitation of the number of subjects to be studied for graduation. It could truly be said that he had a dominating but not domineering personality.

Harper died at the age of fifty on January 10, 1906. He was survived by his wife, daughter, and three sons.

Because Harper was a most loyal and active member on the Board of Education for two years, the board named for him the *William Rainey Harper School* which was completed in 1910.

It was occupied as an elementary school until 1926 when it became a junior high school. At that time a new wing was added which contained a gymnasium, a swimming pool and additional classrooms. In 1933 Chicago discontinued all junior high schools and Harper was converted into a senior high school.

Another memorial, the *Harper Memorial Library* at the University of Chicago was dedicated before a great audience on June 11, 1912. The library serves the University as a lasting tribute to its first great President.

APPENINGS

Best wishes to a fine girl
and secretary and much
luck in college. Virginia
Mrs. Kelly

TO HARPER HIGH SCHOOL STUDENTS:

The end of a busy year awakens in each of us a feeling of accomplishment as well as a feeling of sadness. The feeling of accomplishment is the reward for having reached toward our goals and for having come closer to them. The feelings of sadness are a natural concomitant of the realization that the happy experiences of this school year are over and will now only live in our memories.

However the end of one school year is soon followed by the beginning of another or by an introduction into the working world. Your success in school or at work will depend on what you put into it. There will be set-backs and failures. These experiences will teach you, little by little, that reaching for excellence, you will get closer to your goals.

ENGLISH DEPARTMENT

The key that unlocks the door to all knowledge is the written and spoken word. Here at Harper basic grammar as well as refined language, literature, and creative expression are presented throughout the four years of a student's attendance. For those desiring more than the required eight semesters of English, Harper offers specialized courses in Public Speaking and Creative Writing as well as a non-credit speed-reading program.

Perhaps paramount in that which may be obtained from the English Department, is developing the skills of self-expression, both in writing and speaking.

MATHEMATICS

The orbiting satellites, a trip to the moon, a huge computer: they all involve mathematics. No matter how large or small, almost everything we do involves mathematics. From the complicated use of logarithms and permutations to the simple adding of two numbers there are a multitude of mathematics courses.

At Harper we hope to train a few of the many mathematicians the world needs. In the classes of Algebra, Geometry, Advanced Algebra, College Algebra, Trigonometry, and Solid Geometry we try.

SCIENCE DEPARTMENT

Science can loosely be described as an orderly attack upon the boundaries of ignorance through the use of organized experiments and proof. Harper's Science Department serves the college-bound servant as well as the technical student in these matters with a thoroughness that is unique to this department. There are a choice of courses within the framework of the Science Department open to the individual's taste and judgement. General science, biology, physics and chemistry comprise the subjects available within the department. These subjects, in conjunction with the science fairs will give any student who applies himself a firm backround in science.

LANGUAGE DEPARTMENT

Ever since the fall of the Tower of Babel, being capable of communicating in more than one language has been a great asset to every individual.

Students at Harper are offered the chance to learn Latin, Spanish, and German. The contemporary languages, Spanish and German, can be useful in understanding people in our own and other countries. Latin study gives a student a better insight into great history and clearer conception of the English language in which many words are derived from Latin. All three offer youth the opportunity to develop a wider knowledge of languages and cultures other than our own, vital for world unity among all people.

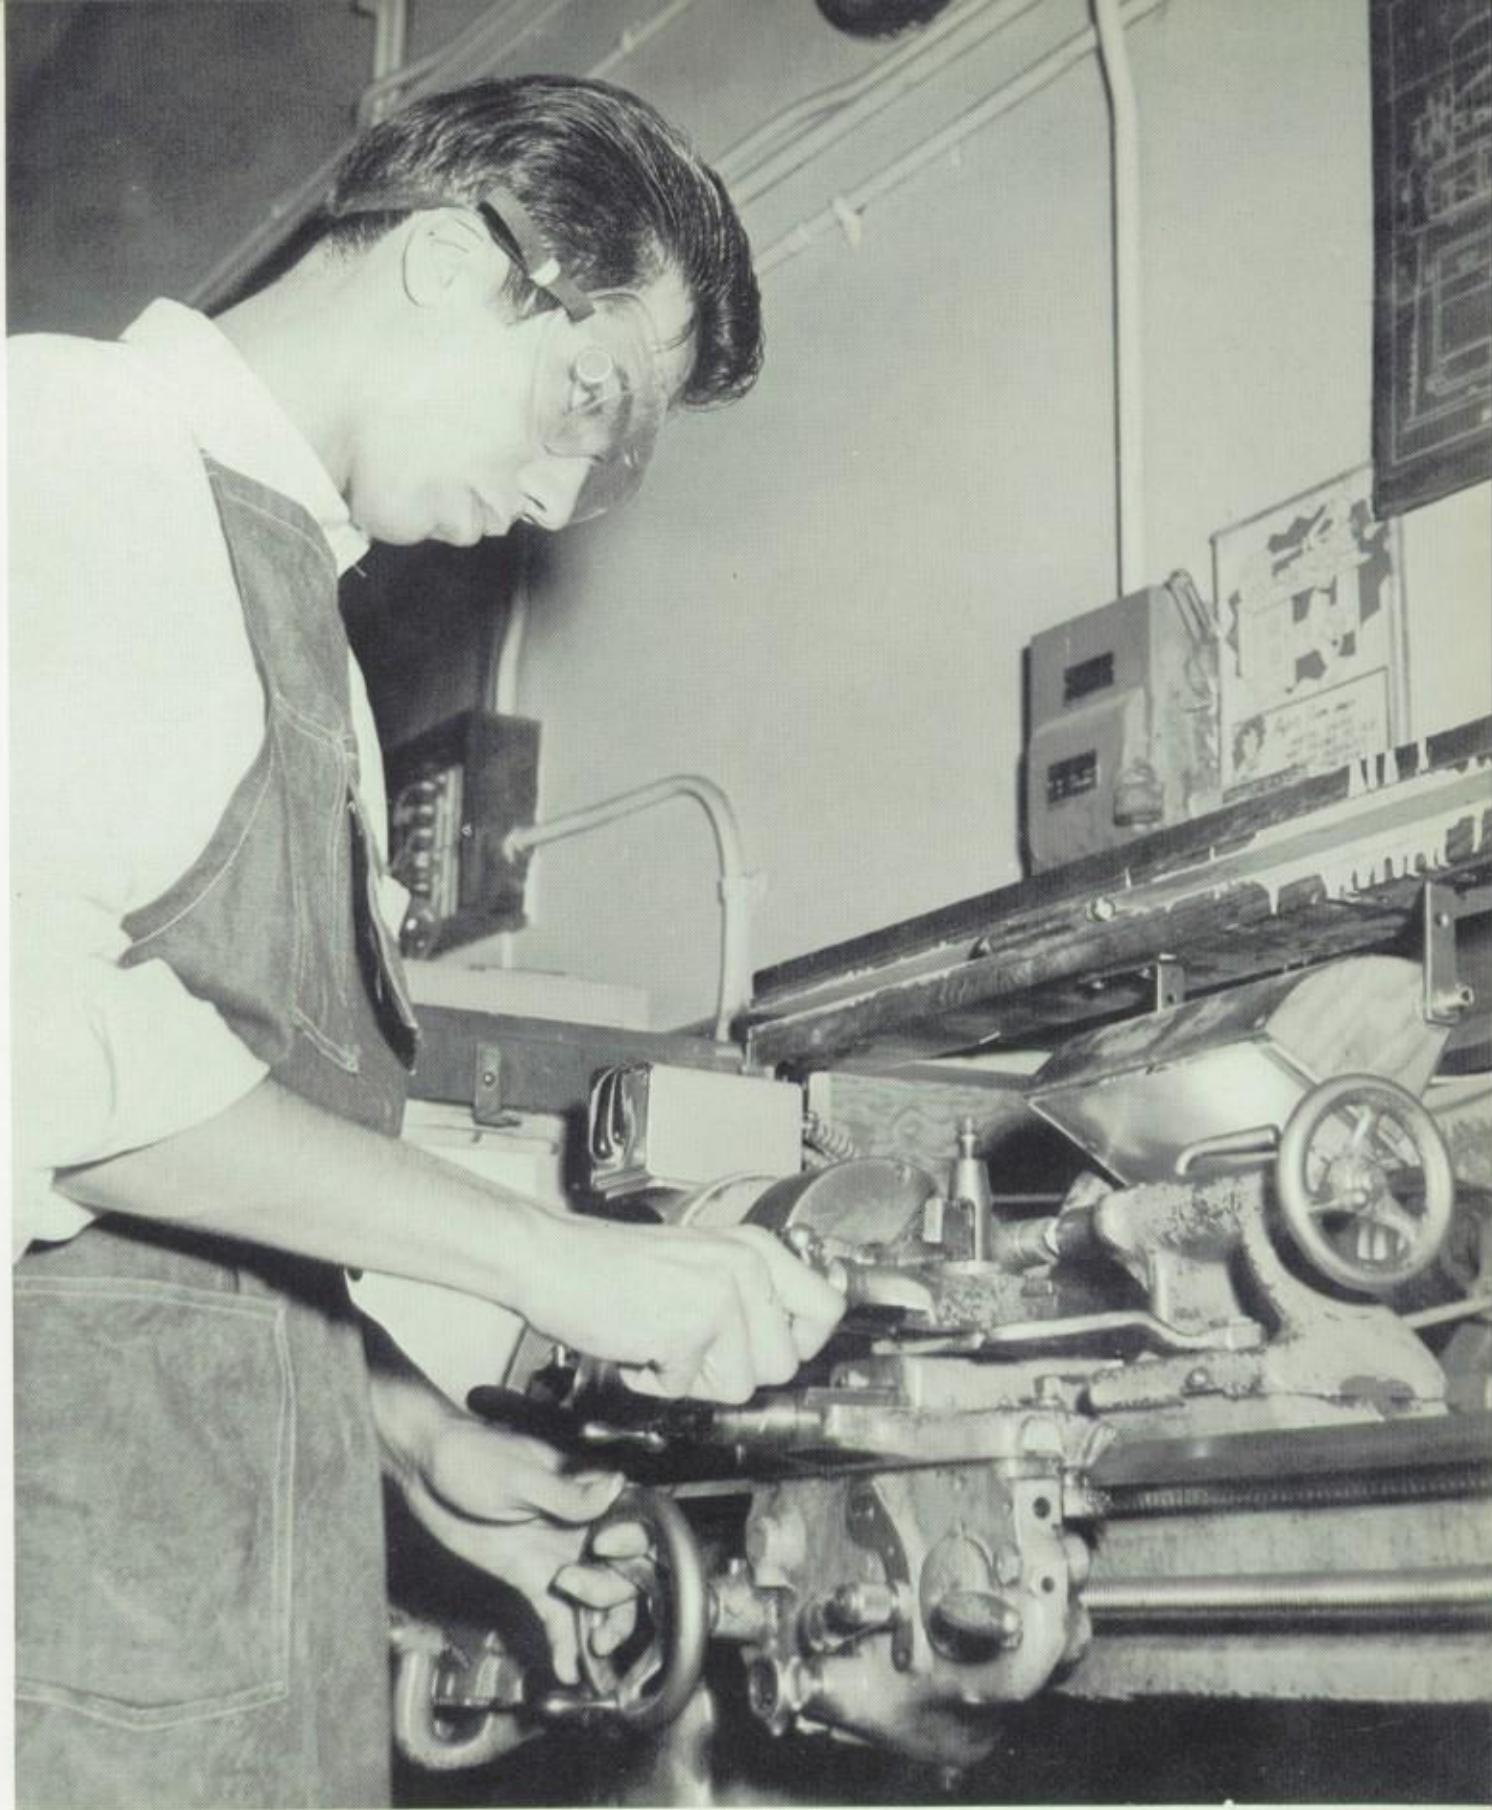

SOCIAL STUDIES DEPARTMENT

The awareness of world problems, the history and geographic understanding of the world, the history of the United States, and the problems of the financial world are basic ideas dealt with in our Social Studies classes. With the increasingly shrinking world these concepts must be taught . . . and with perception.

During the years, the many teachers in our Social Studies Department have taught with adeptness and proven their abilities. Our students have come more aware of and very much more alive to the problems of the society in which they live.

TECHNICAL DEPARTMENT

The various shop courses offered at Harper include Industrial Arts, Print Shop, Wood Shop, and Auto Shop. Students learn various manual skills as freshman taking the industrial arts course and then decide, if they wish, to continue to learn the skills of printing, woodworking, and auto shop. Those who complete these courses leave Harper with basic skills they have acquired and perfected. Such boys have a sound background for obtaining jobs in technical fields.

COMMERCIAL DEPARTMENT

With the never ending demand for trained people in the business world, Harper's Commercial department has much to offer in the way of preparing young people for business careers. Such courses as typing, steno and transcription, office practice, sales, and commercial law give the students a good basic training which may well help them on their way in whatever phase of business they choose to enter.

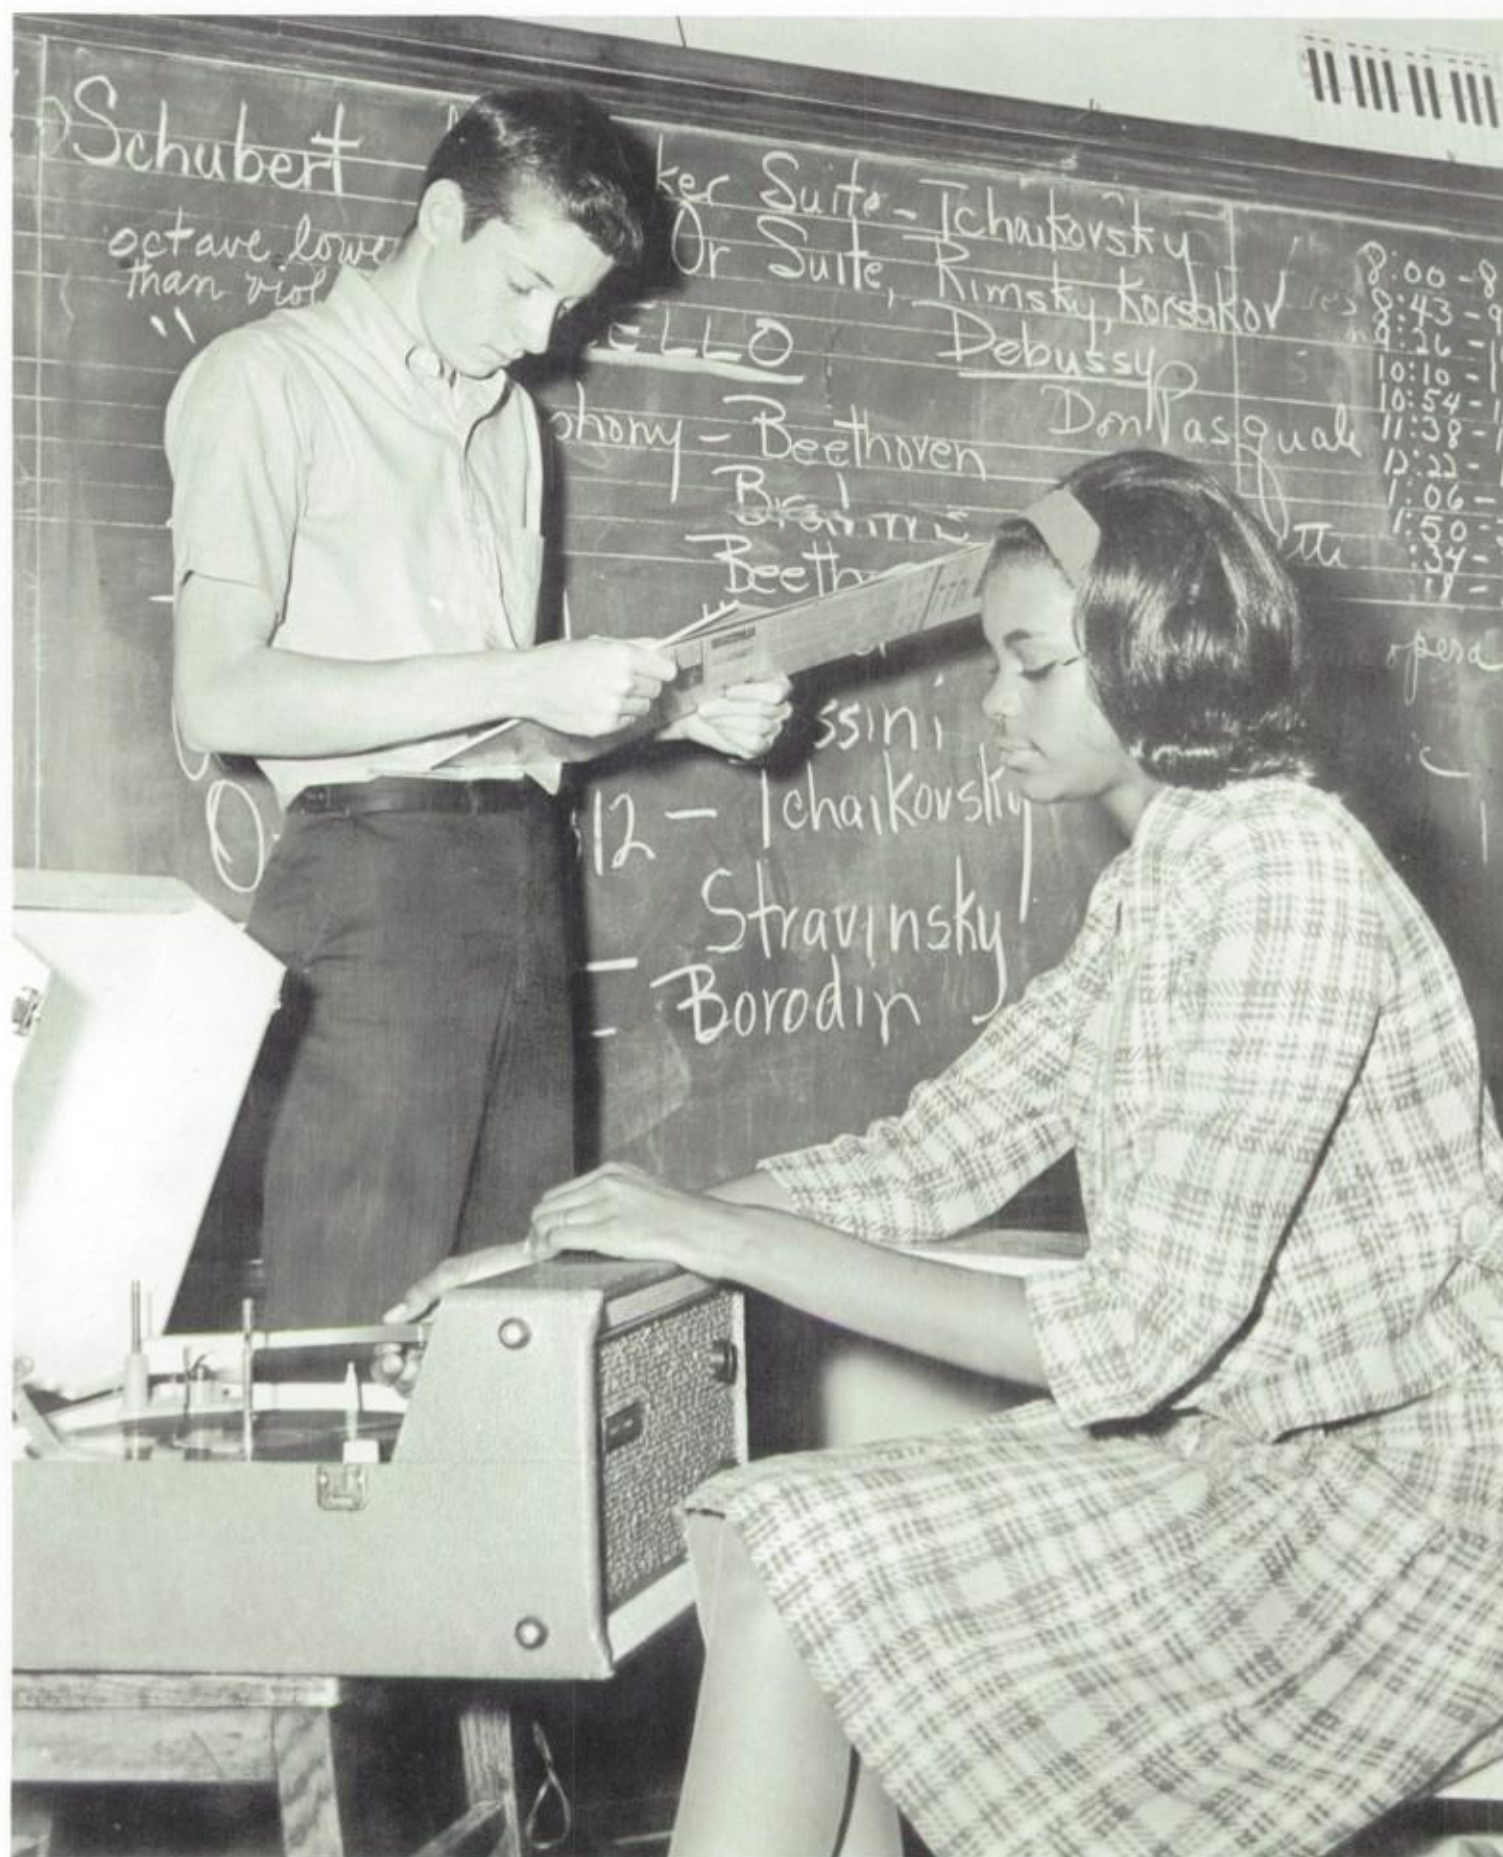

HOME ARTS DEPARTMENT

Since the beginning of time it has been the duty of women to make the lives of men happier through their loving care.

The Girl's Technical Department is designed primarily for the girl who has chosen homemaking as a career. Possessing the ability to sew, prepare nutritional meals and balanced diets, and manage the home are all essential skills which contribute to the efficiency of a housewife. These skills can be acquired through courses offered in clothing, foods, and home management. The girl who is planning for marriage, heads first to the Girl's Technical Department.

FINE ARTS DEPARTMENT

Music, both choral and orchestrated, and art in all shapes and forms are the make-up of the 1963-64 Fine Arts Department. These fields, which deal in creativity and showmanship are a pleasant and helpful diversion from a purely academic program.

Students participating in the Girls Chorus, Mixed Chorus, and Concert Band were featured in the annual Christmas programs and Spring Festivals. Other school features were the Art Fair and Art Bazaar.

PHYSICAL EDUCATION

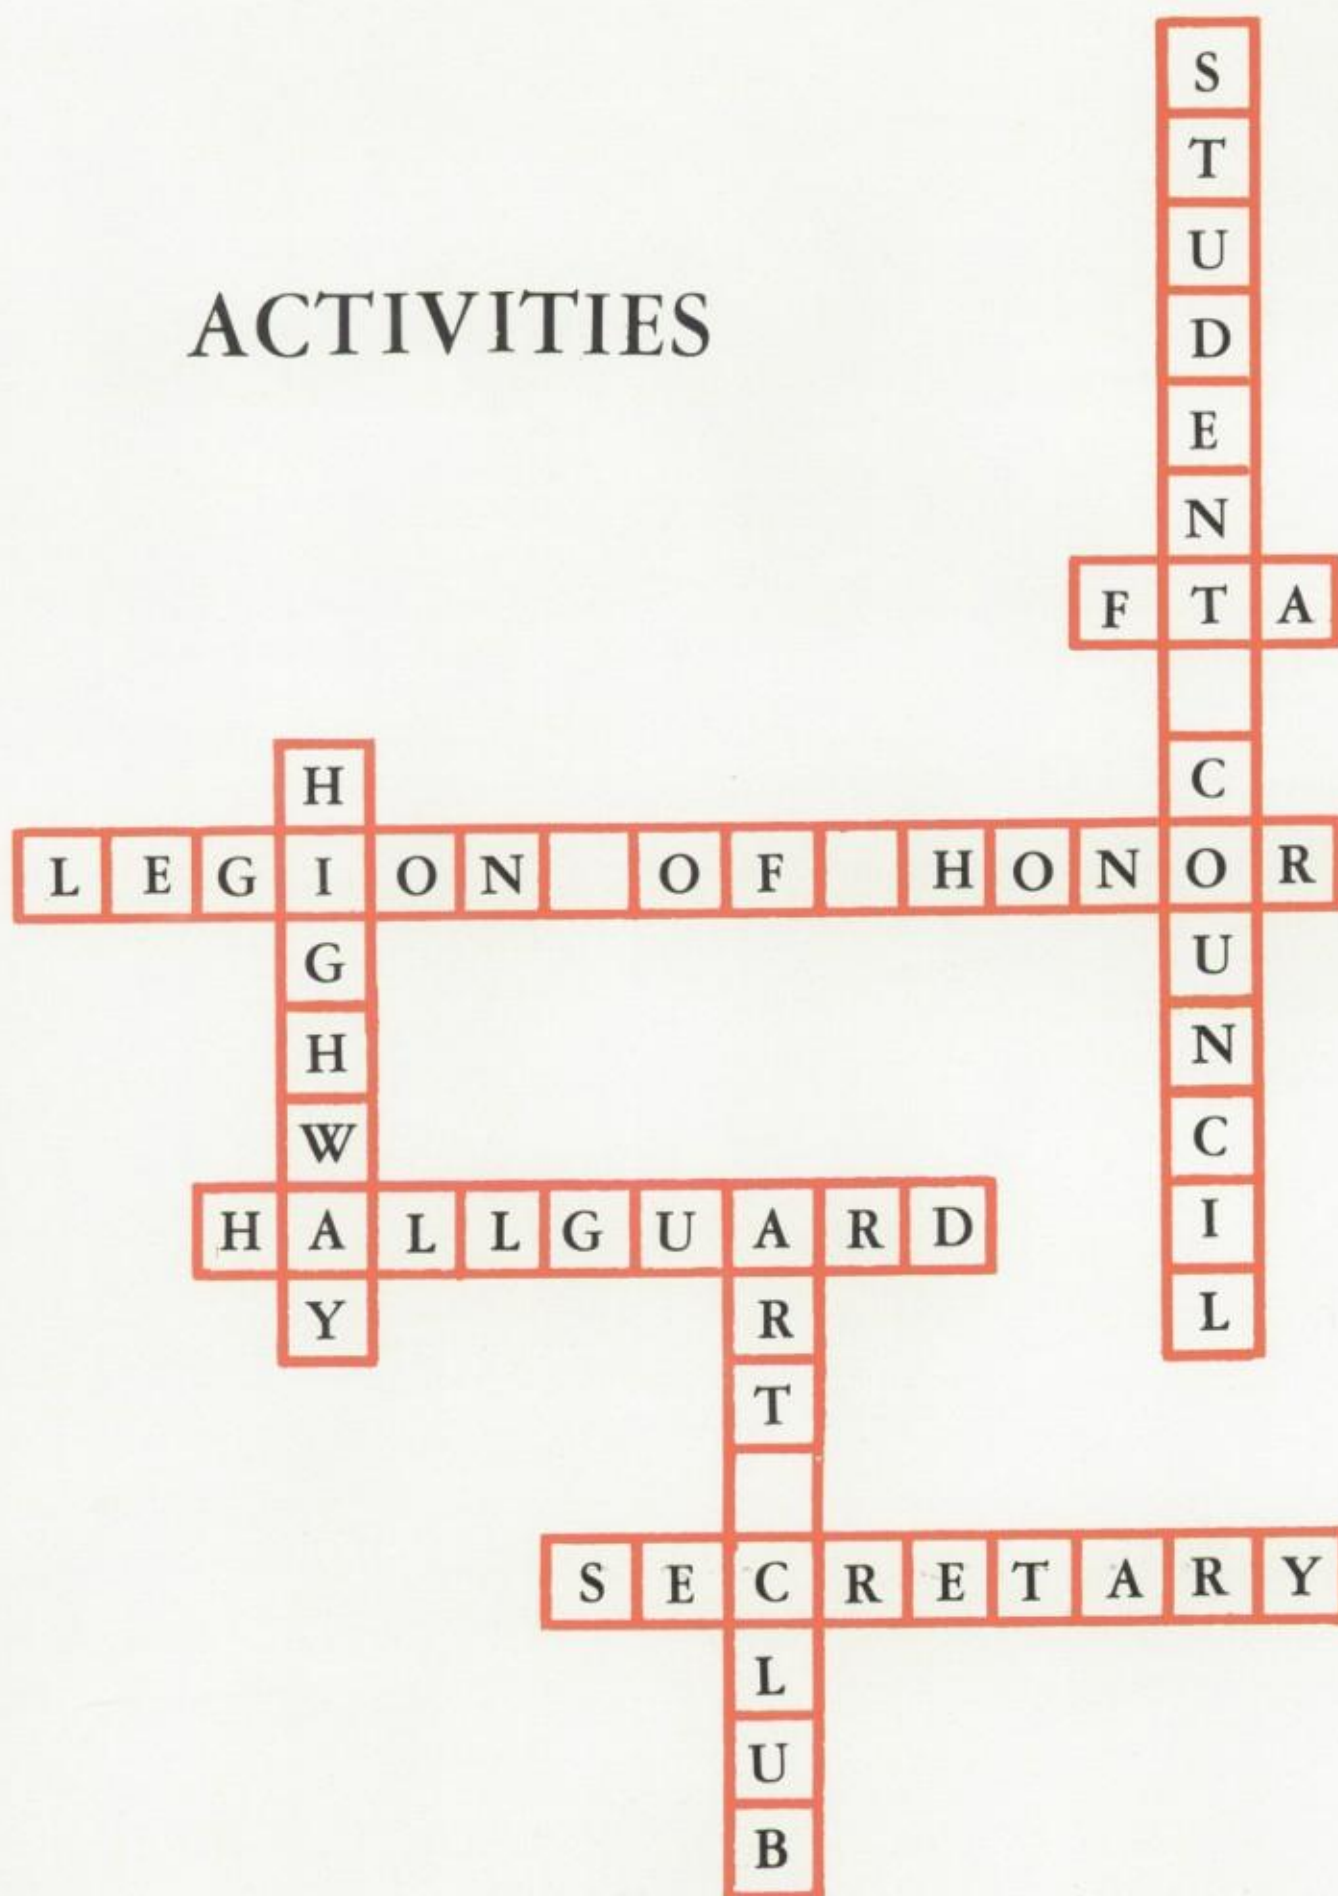

During these recent years, physical education has been stressed more than ever in high schools. Our late President Kennedy was the man responsible for stepping up our program, and Harper has followed through magnificently.

Harper's physical education staff consists of a competent, hard-working group, well-skilled in the varied phases of athletics. The qualities evidenced by these instructors raise even further the high standards set by Harper's particular program.

The student taking part in this fine physical education program will find himself well on the road toward a high degree of physical fitness.

PERIPATETIC PIVOTS

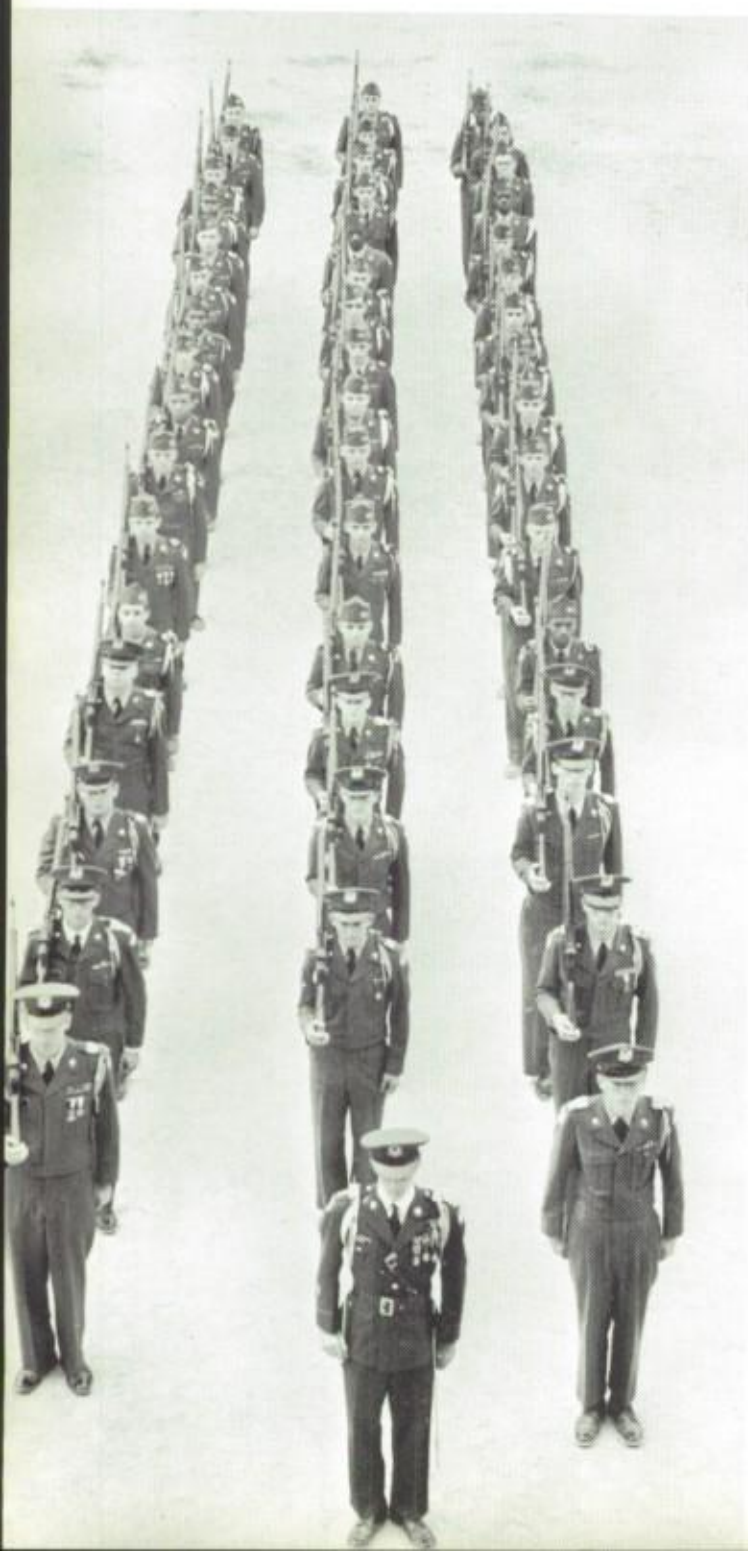

Harpers R.O.T.C. Corps boasts a fine staff of officers. With the aid of S/Sgt. Karlzen and Sgt. Hrubec, the cadet officers run the Battalion. Leadership, initiative, dependability, and neatness are only a few of many words that are adequate to describe these young men. Any organization is only as good as the men who run it, and the R.O.T.C. is no exception. Assisting S/Sgt. Karlzen, Sgt. Hrubec, and the cadet officers are the R.O.T.C. Sponsors. These five girls have attained the rank of officers also, and aid in the clerical work in the R.O.T.C. Office.

During the first semester of this school year the men of the Drill Platoon could be seen marching on the parade field. The area was filled with command voices, and the sound of clicking rifles muffled by the heels hitting the ground. At the R.O.T.C. District Drill Competition Harper was represented by this group.

During the second semester the Drill Platoon became the Honor Guard. At the Federal Inspection the Drill Platoon performed well for the inspecting army officials. The men in the Drill Platoon put in a great deal of time and effort representing the Harper R.O.T.C.

READING CLUB

Harper's oldest functioning organization is the reading club, sponsored by Mr. DeYoung. The members of this club met once a week after school hours to read and discuss the books they chose. The reading club held its annual book fair during the last week before the Christmas holidays. Among the books offered were many classical selections as well as the popular choices. Many Harper students found last minute Christmas presents at the fair. The money made during the fair makes up the prize money for the Reading club's annual writing contest. The divisions in the contest were the Short Story, the Drama, and the Poem. Members of the club who won had their prize doubled.

The 1964 Art Club, sponsored by Mrs. Russell, hopes to have as an eventful, cultural, and creative year as the 1963 group. Interesting field trips were made to the Art Institute and to the Old Town Art Fair. Jennifer Bryant, president, and vice-president Judy Corn initiated plans for the exciting Christmas Bazaar. Among others responsible for the success of the Art Club are the secretary, Sandy Hager, and the able treasurer, Georgiana Strang.

COORDINATION

DISTRIBUTIVE EDUCATION

Distributive Education has been a part of the program at Harper for the past eight years. This year D.E. is in the capable hands of Miss Feinberg.

Students of D.E. not only attend classes but also are employed in part-time work for course credit. On the job they experience retailing in action.

The official club of D.E. is D.E.C.A. (Distributive Education Clubs of America). Meetings are held every Friday, and it is in these meetings that the students discuss what they can do for the program.

D.E.C.A. students gave a tea for their parents in the fall, a dinner-dance, and a social for the parents and employers.

F IS FOR FUTURE

The F.T.A., or Future Teachers of America, (under the sponsorship of Miss Mary Beth Yandel and Mr. Jack Klaus) was headed by the student officers Bill Zielke, Donna Prusis, and Debbie Slack.

The purpose of the F.T.A. was to help all Harper students interested in a educational field as a vocation. Problems such as choosing a school and financing and education were discussed. A clear picture of the teaching profession was presented.

The F.T.A. took a very interesting trip to North Central College in Naperville in November. At general meetings many speakers from Harper (including Miss Clyne and Miss Baker), among others told about their fields of teaching. These are just some of the highlights of the past successes.

F.N.A.

The F.N.A., Future Nurses of America, is a new club that was introduced to Harper students under the sponsorship of Miss Goodlow. The girls received many benefits and much information about a nursing career. Many tours were taken to various hospitals in the city and as a result Harper now has many volunteers working at the hospitals. The officers of this newly formed club include: President Helen Economos, Vice-President Lynn Favaro, Secretary Nancy Johnson, Treasurer Barbara Miller, and Corresponding Secretary Marge Anderson.

"GREATNESS CAN BE OURS"

Another year had ended and the Marching Band and Concert Band have been as busy as always. The Marching Band cheered our team on to victory with such exciting marches as "Twistime-Twist", "Consider Yourself", and "Washington Post."

The Concert Band definitely took the prize for style and majesty this year. Footlights, the Spring Festival, the Annual Board of Education Band Contest, and the St. Patrick's Day Parade, are only some of their most proud accomplishments.

Mr. Olsen also introduced an innovation of electing band officers for the purpose of putting the band closer to the student body.

This years officers (Jack Wilde, president; Michele Gregory, vice-president; Marilyn Laske, secretary; and Bill Wagner, treasurer) chose the motto "Greatness Can Be Ours." This past year has certainly proven them right.

"Calling all girls." Each year the humming birds of Harper are summoned once more to be trained under the competent direction of Mrs. Lucille Elworth. Mrs. Elworth instills in these girls the spirit which makes Harper the fine school it is. Responsibility, character, leadership, and service are the traits which can be found in each and every girl in this organization. Talent unlimited is exhibited by these budding beauties during the year with their charming showing at the Christmas Shows and Spring Festivals. Hearts are opened by the melodic sounds produced by Harpers Primadonnas at every possible appearance. God preserve these tones of rapture.

TOGETHER WE SING

No eulogy could express the amount of appreciation that each and every Harperite feels toward the Mixed Chorus. Throughout the year the Mixed Chorus supplies a surplus of enjoyment with its superb performances at Christmastime and during the spring. The Christmas Shows and the Spring Festivals are the exceptional highlights of this groups talent and school spirit. Each and every person at Harper, teachers and students alike, is indebted to the pleasure they receive from this group. Harperites thank you for service above and beyond the call of duty.

..... INTELLIGENCE PLUS

N.H.S.

The National Honor Society is an organization which is respected by all. Admittance into The National Honor Society is dependent upon four things—character, scholarship, leadership, and service. A prospective member must be of high character and high scholastic standing. No one is considered for membership unless his grade average is 2.5 or better. Service to the school is also considered in the decision. A member of N.H.S. has participated in many other school activities. Leadership is important in that members of N.H.S. are the leaders of the school, in and out of class.

This past year the National Honor Society has been headed by President David Green and his assistant Vice-President Frank Mor-kunas. Lorelei Hoelzel was Secretary in the fall; and was succeeded by Anna Mae Holmes in the spring. William Johnson, Treasurer in the fall, was succeeded by Donna DeAngelis who took office in the spring.

STAGE CREW

Gabrusevicius, Morkunas, Maol.

During the past semester a group of Harper students have worked behind the scenes to make the school run smoothly. This group of aspiring young people includes the hallguard captains, fire marshals, and stage crew. The hallguard captains work all eleven periods, checking on the attendance and efficiency of their crews. It is their job to see that each corridor of Harper is properly manned with guards. The fire marshals are busy as beavers when those three fire bells ring. They arm their street-corner and corridor posts with the swiftness of an eagle, making sure that all persons clear out rapidly and safely. The stagecrew, under Mr. DeYoung's direction, can hardly ever be seen by Harper students, for the efficient young men are busy behind the scenes, checking props, helping with costumes, and often working overtime to insure the success of Harper's productions. These often unheralded people are really the core of Harper.

AMIALE ADMINISTRATORS

The Student Council met in the Mellin Room on Tuesdays under the sponsorship of Mrs. Szarmach. This year's Student Council enjoyed many successful events such as: Dress-Up Days, Tag Days, the performance of the Fifth Army Band, and the assembly at which Ann Landers edified the students. An increased number of Loyalites was the big accomplishment of the year.

The leadership of this group was carried out successfully by the capable mayor, David Green, assisted by comptroller Bill Zielke and city clerk Judy Laske. The fact that everyone was put on a committee and each committee worked together provided for a smooth operating Student Council.

With the assistance of several energetic members of the Sales class, the advertising section of the 1964 Shield is larger and livelier than ever before. As a special project these people demonstrated their ability to sell Shield advertisements, not only to the business men of the neighborhood, but also to people unacquainted personally with Harper.

SERVICE. . .A SEVEN LETTER WORD FOR HELPERS

MELLIN ROOM STAFF

Row 1: Curl, Stovall. Row 2: Franklin, Taylor, Weaver, Kalat, Weaver, Jones, Lenckus.

MELLIN ROOM STAFF

A group known for its courtesy and continuous service is the Mellin Room Staff. It is made up of girls who are well-mannered and competent. Their duties are varied and are consistently done well. Noteworthy veteran members of the staff include: Jacqueline Hood (President), Kristine Weaver, Janet Kalat, Mary Pulick, and Janet Bozendorf. New members to be recognized are: Kerry Isaac, Caroline Mikula, and Jane Hearing.

The Matron's staff, a well known group consists of girls who volunteer to assist Mrs. Johnston, the Matron. They perform helpful and important tasks, such as, keeping records of injuries, assisting with first aid treatments, refusing poor suffering students an aspirin, returning strayed text books to their distraught owners, and deciding if fancied ailments are real enough too merit a trip to the counselor. The girls which comprise the staff are capable and efficient.

OPERATION INFORMATION

OFFICE SECRETARIES & TICKET BOOTH

The girls in the ticket booth are known as the "smiling girls" to most of Harper's students. This is because they always appear cheerful and happy. They sell tickets to the football and basketball games, book covers, English handbooks and other assorted tickets, as well as Loyalite cards. These girls can direct one to the classroom of a teacher any period of the day.

Another group of hard-working students is the office secretaries. These boys and girls work in the main office during free periods. They run errands for the school clerks and file records.

Row 1: Tuleja, Bradley, Haidacher. Row 2: Barnett, DeGidio, Skarson. Row 3: Landrum, Kruse, Napolillo, Salberg, Kraft, Pazereckis, Junker, Huber, Johnson, Redman, Revchuk.

"Look up the file for Tom Terotepral-skive" is a common command to the Guidance Secretaries. Everyday they run numerous errands for the counselors, upstairs for one student, downstairs for another, down the hall, and into the wing for yet another.

The guidance secretaries help with all filing of tardy, absence and early dismissal slips and are authorities on recorded abilities.

Mr. Lynch, Miss Moran, Mr. Grey and Mrs. Davis are the lucky people, having these very capable students to assist them.

BOOK REPORTERS

Harper has a library to be proud of. One of the contributing factors to the efficiency of the library is the fine staff of student assistants. These girls are responsible for the circulation records of the library as well as the shelving of the thousands of books. Working during their free periods, they receive in return civic letter points for their service.

BOOK ROOM STAFF

Row 1: Kompik, Lundquist, Tarrant, Mr. Finn. Row 2: Boudro, Whitlock, Under, Taylor. Row 3: Bim-Merle, Bohnen, Cecchini, Holzrichter.

The functions performed by the bookroom staff are essential to the smooth operation of a large high school such as Harper.

Mr. Finn and Mrs. Gevis are the faculty sponsors of the bookroom staff. They have divided their staff into specific categories of activities in order to maintain utmost efficiency.

Norman Holzrichter is the student supervisor. Sandy Bim-Merle is the secretary, and Rich Maduzia is the clerk. The students in charge of book repair are: Laurita Taylor, Helene Econamos, and Judy Whitlock. Those in charge of shelf repair include: Tina Kompik, Judy Unger, Ken Bohnen, and Larry Cecchini. The equipment is handled by Joyce Lundquist and Steve Boudro.

The '63 Cardinals carried the Harper spirit. The Redbirds had power and drive and played their best for Harper. Co-captains William Zielke and Joseph Tumborello led the way, while Coach Dluhy gave moral and vocal support as the Cards routed Luther South in the opener. As the fans streamed into the various stands for the season's games the Cardinals never let them down. Harper is proud of its team. The fans cheered the players when they were up and stayed with them when they were down.

CHEERLEADERS

Row 1: Hermann, Rougeau, Barch. Row 2: Romanas, Moller, Collignon.

CHARMING CHEERS. . .

Throughout this year the cheerleader squad, headed by Captain Diana Rougeau, led the loud and enthusiastic cheers of the Harper fans. These faithful promoters of school spirit could be seen, sporting their sparkling crimson and white uniforms, at all games during the football and basketball seasons.

The 1963-64 cheerleaders held tryouts which were open to all underclassmen who could meet the requirements. The talented additions to the squad were Cathy Athens, Sandra Bim-Merle, Sandie Chase, Helen Economos, Candy Jackson, Kathy Kopan, Valerie Manos, Pauline Nichols, Eileen Pechter, and Jill Ward.

Three cheers for the Harper Cheerleaders!

JUNIOR ACHIEVEMENT. . .

FROSH—SOPH BASKETBALL

The 1963-64 Frosh-Soph Basketball team was coached by Mr. Neville who did a fine job with this young team. Although they didn't win many of their games, they displayed good character as well as good sportsmanship everytime. They had the makings of a good team, but lacked the experience that was necessary to win. However, what they did lack in experience, they made up in spirit. They practiced every day and seemed to improve with each game. They had good speed, and mastered many plays, but their shooting percentage was not as high as it might have been.

The knowledge which these boys now possess will stand them in good stead next season.

SENIOR SWIM TEAM

Row 1: Coach Swee, Drummond, Swanson, Ogren, Papenfus, Shanahan. Row 2: Banevich, Newton, Wagner, Boudro, Brown, Guiseffi, Boissy.

The Harper swim team has enjoyed a very successful season. Under the excellent coaching of Mr. Swee the tankers lost only one swim meet. Much of the team's success is due to last year's lettermen who are: Rod Brown: backstroke, John Ogren: freestyle, Craig Papenfus: freestyle, Bill Shanahan: freestyle, Jay Swanson: butterfly, and Bill Wagner: breaststroke. Next season the swim team should surpass this year's success.

DIAMOND CUTTERS

Harper's 1964 baseball team placed emphasis on daring and speed. Spurred on by their valiant young coach, Mr. Neville, the Cardinals again portrayed the spirit and sportsmanship that has become Harper's trademark. While acquiring fundamental skills in batting and defense, the boys became aware that teamwork and fellowship play an important role in any sport. Once again our baseball team was loyal, aggressive, and spirited. We can justly be proud of our team.

Captain: Mike Prosen, Coach Neville

LETTERMEN'S CLUB

The Lettermen's Club under the sponsorship of Coach Dluhy is an organization founded to promote better fellowship among letter-winners. The club encourages sportsmanship among players and spectators and also promotes better relationship between the players, faculty, and students. Harper is proud that all this has been achieved in the Lettermen's Club since it has been established in 1960. It is the aim of the membership to encourage other boys to earn Varsity letters in the following sports: Football, Basketball, Base-Ball, Swimming, Indoor and Outdoor Track, Cross Country and Bowling.

THE CROWNING TOUCH

CHESS AND CHECKERS

Row 1: Grislis, Silvers, Terpstra. Row 2: Wysocki, Rohacik, Banser

Harper has reason to be proud of their superior Checker Team composed of Carmine Grisolia, Howie Silvers, Ted Terpstra, Jerry Thomas, James Wysocki, and as an alternate, Bob Banser.

In the nineteen sixty three checker campaign Harper's team placed first in the entire city, out-maneuvering such formidable opponents as Lane Technical High School, Tilden Technical High School, and Bogan High School.

Mr. Brown, the team's sponsor, has high hopes for the coming city-wide chess competition and is sure his team will do equally well in next semesters chess matches.

BOYS BOWLING

ROLLING DOWN WOODMAC LANE

The Boys' Bowling League, under the watchful eye of Coach Dluhy has once again completed a successful season.

The league was made up of eight teams consisting of three boys each. The teams fought it out among themselves every week from September to May.

The high game without handicap was achieved by Dennis Johnson who bowled a 224, and with handicap Jim Grisolia took the honors with his 249. Paul Zierk earned recognition for his high scratch series of 601, while Rudy Wehofer accomplished 644 with handicap.

The top four bowlers went to the city meet in May, and tried their best to bring trophies back to Harper.

At the end of the season a banquet was held and the awards were presented by Mr. Dluhy.

RIGHT DOWN THEIR ALLEY . . .

Every Friday after school, under the guidance of Miss Layo, the Girls Bowling League met at the Gage Park Bowling Alley. The teams competed with one another for pleasure and the honors which were bestowed upon the outstanding bowlers at the bowling banquet held at the end of the season.

In addition to the enjoyment derived from this activity the girls received G.A.A. points toward their letters.

Row 7: Haas, Daly, Willin, Meier, Wnukowski, Wiegman, Walter.

G.A.A. BOARD AND CABINET

Each Monday the members of the G.A.A. Board stood out brilliantly as they sported their red and white uniforms. These girls were the student directors of the Harper Girl's Athletic Association's activities. Sponsoring the Board as well as the entire G.A.A. is the much loved Miss Layo.

During the course of the year the talent show, pep club, volleyball and basketball tournaments, and roller skating parties, organized by the G.A.A. Board, provided an enjoyable outlet for the energies of the Harper girls.

Row 7: McGrath, Haas, Zimmermann, Friedl, Ward, Anderson, Zawadowski, Labiak, Bell. Row 8: Pechter, Thompson, Popovitch, Vandekreke, Jackson, Munto, Faloorg.

YIPES! STRIPES! . . .

Working to keep the girls gym department running efficiently are the G.A.A. service girls. The Harper girls in blue are the gym leaders. These perky young misses, clad in their striped leader jackets, lead exercises, referee games, and score physical ability tests.

Working behind the scenes are the unsung heroes of the girls gym department - the secretaries and locker guards. The secretaries keep records, run errands and generally make themselves helpful. The locker guards keep the locker room in order and staff the G.A.A. rental service. These service girls give up a period a day to earn points toward their G.A.A. letters and chevrons.

A FEW POINTERS . . .

The witty and wonderful Miss Williams assumed sponsorship of the Harper Letter Girls this year. Meetings were held the second Tuesday of each month in the homes of the members.

These girls are to be commended for their project of last December. They stuffed candy rolls and presented them to the children of St. Mary's of Providence Orphanage for Christmas. This was only one of many projects and programs on the 1963-64 Letter Girl's calendar. Terminating this very active and productive year was the annual banquet. An event which topped off a splendid year in royal fashion !

Row 1: Lieske, Jackson, Lucas, Strang, Gregory, Hager, Walters, Drummond. Row 2: Barch, Wax, Nye.

SEA HUNT

Each spring the Harper Girls' Physical Education Department offers the American Life Saving test. All girls who have passed their swimmers test and have received their swimmers cards are eligible to participate in this program. They learn approaches, carries, rescues, and artificial resuscitation, employed in life saving on land and in water. These are some of the necessary requirements for the practical test after which they receive their advanced swimming cards. When they have passed this portion of the life saving course they must take and pass a written examination. When this has been accomplished the girls are qualified lifesavers.
